HAMILTON SPEED KINGS WIN VICTORY

Captain Hal Reed and Men Easily Defeat Rochester in Season's Second Victory.

REED & PETERS WIN SPRINTS

By capturing ten first places out of a possible fourteen the Track Team was enabled to give Rochester a trouncing to the tune of 71½ to 54½. Saturday's victory was ample vengeance for the Rochester defeat of last year. While the University of Rochester track was in poor condition and extremely muddy the time in most of the events was fast. Captain Reed did the fastest time in the 100 that has ever been done on that track and Gale of Rochester made fast time in the mile. The tune that the Track Team sang to Union about "Eating cinders off of Hamilton's spikes" was repeated, especially by Hamilton's sprinters, Reed and Peters, who again took first and second respectively in both sprints.

Early in the Meet the Yellow had nine points on the Buff and Blue and things looked bad, but the Hamilton team uncovered a strong finish and long before the end turned the tables and ran up a number of points on the Kodak City boys.

Couper ran star races in both the 440 and 880 and nosed out his opponents easily in both of these events. Cobb was easily Rochester's individual star, winning both the high hurdles and the pole vault. Wallace, who won the shot put and Gale who won the mile were Rochester's only other first place men.

In the 220 low hurdles Adams of Rochester, who was in the lead aided the Buff and Blue by falling outside of his lane and causing his team mate, Dalton, to lose his, giving this race easily to Pope.

Two of the prettiest events of the afternoon were the mile and two-mile runs. In the mile, Gale of Rochester jumped into the lead in the last lap and beat Perkins by about fifteen yards. Williams put up a great fight in the two mile and won his event by pulling ahead at the finish in a fine sprint on the home stretch.

The shot put was the only event in which Hamilton was shut out, as Rochester took all three points in this event.

Summary of Events

100-yd. dash—Won by Reed (H), 2nd, Peters (H); 3rd, Dalton (R). Time, 10 2-5 sec.

220-yd. dash—Won by Reed (H); 2nd, Peters (H); 3rd, Cochrane (R). Time, 23 3-5 sec.

440-yd. dash—Won by Couper (H); 2nd, Munson (R); 3rd, Reeder (H). Time, 56 sec.

880-yd. run—Won by Couper (H);

CLARK PRIZE SPEAKERS

K. P. TOMORROW NIGHT IN THE STONE CHURCH

Renewal of Historic Prize Promises to Rival Pre-War Success of Contest.

FIVE MEN IN COMPETITION

It has always been the saying that a Hamilton man can get on his feet and talk, and put over what he says. This ability will be demonstrated tomorrow night at the Stone Church at eight o'clock. Last year there was no competition for this prize as most of the eligible contestants were then in the service of their country. This year promises to be well up to standard and a close contest is assured. The men are all naturally good speakers and have been drilling regularly in the church for the last two weeks.

The order of speakers with their subjects is as follows:

Theodore Hawthorn Skinner, E. Las Vegas, N. Mex., "Nationalism and World Patriotism."

Philip Caryl Jessup, New York, "Religion of the Battlefield."

Oliver Wesley Hutchinson, Lowell, Mass., "Nationalism and World Patriotism."

Paul Mahlon Hamlin, Pittston, Pa., "The Impotence of Force."

John William Bratton, Brooklyn, "Irish Autonomy."

Professor Carl Carmer will preside at the speaking and the Faculty of the College will, as usual, act as judges. Thorp, '20, and Turner, '20, will furnish the musical end of the program.

This prize is one of the highest honors that Hamilton can bestow and has recently been patterned after by some of the newer colleges of the West and South. Maryville College has been endowed with a fund by William H. Bates, '65, for the purpose of establishing a prize to be given after the manner of the Clark Prize at Hamilton.

1920 HAMILTONIAN SOON TO APPEAR

Book Expected on Hill Within Two Weeks—Price to be Two Dollars and Seventy-five Cents.

DODGE OF UTICA, PRINTER

The 1920 Hamiltonian will be on the Hill within two weeks, is the announcement of Editor-in-Chief Thompson. The copy has been in the hands of the printers for some time, and the book will certainly be delivered during the first or second week before Commencement.

The cover is blue, and the entire publication will be on ivory paper, which takes the plates and printing especially well. There will be one colored page, the heading to the athletics department. The price is $2.75. Melvin Dodge of Utica is doing the printing, and the engraving is by the Utica Engraving Company.

Gordon Schwarz is literary editor and W. Willard Thorp the art editor. The principal articles, with their authors, are as follows: "History of the S. A. T. C.," Sidney Rosenthal; "Junior Prom," John T. Martin; "Baseball Season," Richard Ritterbush; "Track Season," Edgar W. Couper; "S. A. T. C. Football," Harmon Morton; "Y. M. C. A.," Benjamin Meritt; "Class History," Harmon Kneeland; "Commencement," Harmon Morton.

VARSITY VICTOR OVER ROCHESTER

Restle Pitches Star Game for Buff and Blue, Striking Out 12 Men and Allowing Only 3 Hits.

CLARK STARS AT BAT

"Too much Restle," is Rochester's only alibi for their defeat Saturday by the Buff and Blue to the tune of 5 to 1. Restle's first trip to the mound for Hamilton resulted in a win. With twelve strike-outs to his credit and a spectacular stop of a line drive, the Hamilton pitcher was only prevented from securing that desire of all pitchers, a shut-out game, by an unavoidable combination of tough luck.

Miller, Rochester's twirler, was also in fine form and started the game by striking out two men in the first inning. Campbell made the third out on a long fly to center field. Restle was also in fine fettle and but three Rochester players faced him in the last half of the first.

When Hamilton came to bat in the first of the second inning, however, the story was different. Pritchard grounded out. Gorman walked. Clarke singled. King also drew a pass and the bases were loaded with Buff and Blue clad wariors. Moffat grounded to Miller, who threw home forcing Gorman at the plate. The catcher, however, in an attempt to get Moffat at first heaved the pill over the first baseman's head and Clark scored. King followed Clark in an attempt to score and was caught easily at the plate.

Restle continued strong and in the second and third innings he struck out four men and allowed no hits. In the fourth, Pritchard reached third, but was unable to score. In the sixth, Campbell walked, but was forced by Johnson at second. Johnson stole second and third and scored on a short passed ball by Flynn. It was in the last half of the sixth that Rochester acquired its first hit when Miller singled to right. Greene, who followed him, received a free ticket to first, but Restle then tightened up and fanned Adams. The third man was out on a foul fly to Johnson.

The seventh was Hamilton's biggest inning, and easily put the game on ice and in the win column for the season. Three hits and two errors did the trick. Gorman started things with a single to left center. Clarke followed with another single, his second hit of the day. King flied out to Kreag. Moffat hit to deep short, scoring Gorman. Restle made first on an error, Clark scoring. Moffat scored when Flynn dropped the ball on a perfect peg from J. Adams.

EXECUTIVE COUNCIL PLANS FOR FUTURE

Plan to Aid College Store—Press Club Considered and Football Schedule Approved.

Several changes in the system of managers and assistant managers of the various college activities were made at the meeting of the Executive Council in Silliman Hall last Monday night. It was decided to call a meeting of the Association of Undergraduate Activities on Thursday evening, May 22, 1919, to consider recommendations of the Council.

The following members were present at the meeting last Monday: Dr. Wood, presiding, Dr. Dale, Dr. Saunders, Messrs. Sicard, Ogden, Gorman, and Couper, and representatives of football, intramural sports, baseball, Musical Clubs, and Charlatans. After carrying the motion to hold a college dinner on Thursday, matters concerning the future of the activities under control of the Association were introduced and considered.

A Charlatans' performance in Clinton on Monday, May 26, 1919, was approved by the Council. The football schedule for the 1919 season also approved. A motion that an increase of the football appropriation amounting to $315 be added to the $2970.22 already granted was carried.

Two New Managers

Dr. Wood appointed the undergraduate members of the Council as a committee to revise the Constitution. The old system of competition by assistant managers and election of managers was referred to the revision committee. A plan providing for the election of managers by the Executive Council with the right of veto reserved to the undergraduates was proposed. It was also suggested that manual work by men competing for assistant managerships be dropped. A motion was carried to recommend to the College that beginning with next year there shall be managers of intramural sports, hockey, and basketball, and that these men be chosen from the Junior Class, and that provisions to this effect be inserted in the revised Constitution. The following recommendations were approved: For manager of hockey, Maier; for manager of basketball, Peck, and for manager of intramural sports, Throop and Wynkoop, on equal basis.

The discussion then centered around a press club. Perkins, '19, spoke in behalf of the project and stated the history and need of such an undertaking, which would make Hamilton known in intercollegiate circles. His belief is that such a bureau should be under the guidance of some alumnus who would devote all his time to the project with undergraduate assistance. The suggestion was then referred to a committee for investigation and report.

The last matter to be considered was a motion to appoint a committee to bring information to the next meeting regarding new wooden and concrete bleachers and means of raising money for their construction. Dr. Wood named Messrs. Sicard, Ogden, and Prettyman as the committee. The Council shortly afterward adjourned.

Changes in Dartmouth Curriculum

Dartmouth has made many radical changes in its curriculum. As a recognition of the new responsibility of the college for training in citizenship, all students will be required to take courses covering three and a half years, three hours per week, in history, economics, political science and sociology. An innovation will be a half-year course required of all freshmen, to be given by some one who will devote all of his time to it. The course will discuss current social and political problems, with a view to awakening the interest of the student in the whole field of citizenship, and in the later courses offered in these departments. The departments of history, economics, political science and sociology will have an equal part in the conduct of this course. Every student will subscribe for one or more periodicals dealing with current social and political questions, and he will do a certain amount of reading in a specially selected library. Ample provision will be made for recitations and quiz sections.

Kansas Approves of Hypnotic Experiments

The psychology department of the University of Kansas has declared that hypnotic experiments will be absolutely safe for class work, and will prove very interesting.

Six Freshman Teams at Princeton

A league of six baseball teams has been organized in the freshman class of Princeton.

Moving-Up Day at Syracuse

Syracuse revived Moving-Up Day festivities recently. The program included an enormous parade, the formal freshman ceremony of burying their lids, crew races, and an All-University Dance.

Commencement

Plans for the big Victory Commencement this June are all completed and there remains only the actual occurrence of the event to make the coming graduation of the Senior Class the biggest and most brilliant in many years.

It seems fitting in view of the preparations and the occasion of the return of so many alumni to the Hill, to urge the college body to stay over for the event. Past years, especially the Commencements during the war have seen meagre delegations of men remaining over for the commencement program. This year alumni, all over the country, have signified their intention of coming back to join in the celebration to be held in honor of the part Hamilton took in the Great War. The undergraduate body is urged to do its part in their entertainment.

To add to this, there is something dignified about Commencement which fosters Hamilton spirit and tradition. At no other time in the year, is the same sort of feeling expressed that plays such an important part in the June assemblies. The sight of so many alumni and their evident love for the place after so long an absence is something which is good for all of us. Join with the alumni in making the farewell to the Class of 1919 the largest and most impressive in the history of the College.

Elections now have had their turn,
And "assing" days are done;
And he who's worked, a job to earn,
Is happy if he's won.
We hope the D. A. M. will not
Grieve too deep to survive;
He's helped the college out a lot,
And shown that he's alive.

"Oft things turn up to cause a frown,"
The slimer hatters thought;
The lids should all have been turned down,
Before the things were bought.
Tomorrow K. P. comes some more,
But not against our wishes;
It's not the K. P. as of yore,

Spinning: "I hain't got no derby, you see."

Morgan (translating French): "He held his face immovable."

Mulford: "Professor, couldn't you just say he had a poker face?"

Supe: "Mulford, you are wise, way beyond your years."

Val: "Can you fix the radiator?"

Hal: "No, I'm not taking any pipe courses this year."

Ted: "I wonder if we'll drink in the next world?"

Frankie: "I don't know, but I'm pretty sure you'll smoke."

Supe's Favorite

"It is a fine day for the race, isn't it?"

"What race?"

"The human race."

We took a trip to the city one day and on our way we saw many strange sights. In the WOOD by the road there was a PRETTYMAN wearing a BIBB and working with great ZIEL trying to BROWN some SUPE over a fire. Next we saw a SHEPARD, a noble SQUIRE, SAUNDER down the road. His face was RUDD-y, and he was smoking Bull DURHAM. Farther on there was a man FLIPPIN ROCKS down in a DALE. Soon we encountered some BUGS and tried to CHASE them away, but it took a great deal of MORRILL persuasion. Finally we took a FERRY and arrived at our destination.

"Noah sprang these jokes in the Ark."

"Yes, we know, but there are not many of us left who remember them."

Miller: "Have you any cigarettes with you?"

Fergy: "Yes, plenty; thanks."

Fair One: "You've been making love to some other girl."

"Sky": "How do you know?"

Fair One: "Because you have improved so."

Larned: "Can you let me have a little money?"

Lawler: "Sure; about how little."

She: "Yes, I was thinking of that this morning."

Another She: "I knew it was a long time."

When a girl announced her engagement, to avoid coming to a house-party with a certain student, we thought that a new record had been made, but a sophomore has gone one better. In his case, a girl got married so that she might have a water-tight excuse for sending her regrets. Can any one beat that? We challenge you to try.

ANNUAL SPRING ELECTIONS HELD

At College Meeting Last Thursday—Discuss Important Plans for Next Year.

HONOR COURT ELECTIONS

The last college dinner of the year was held in Commons Thursday night, followed by the annual spring elections of the Undergraduate Association. Following the dinner, and before the business session, the quartet, aided by the college body and a good dinner, started the evening off with music. Dr. Wood then called the meeting to order.

Leander Chadeayne, assistant manager of baseball, was elected to succeed Keane, '20, as manager of baseball for next year. Manager Keane then nominated Gates and Mulford, '22, for assistant manager. Gates was elected on the ballot which followed.

Brandt, '20, reporting for the executive council, read a recommendation that the present department of intramural sports be divided into three new departments: Hockey, Basket Ball, and Intramural Sports, As proposed, the managers of these activities would be juniors, and would be elected on the present system of choosing intramural managers. The council recommended that this change be embodied in the new constitution of the Association. A motion to approve the recommendation was carried unanimously.

Assistant Manager Williams was unanimously elected manager of track. Manager Atwood nominated Keane and George, '22, for assistant manager. Keane was elected.

Dr. Wood, speaking for the executive council, reported on the condition of the cooperative store. He said that in the beginning the store had been more or less of an expriment, but was now running smoothly, with an increasing business. It is steadily enlarging its stock, and is now open for business the greater share of the time. He also expressed the hope that the store will be able to handle the rush of business attending the opening of college in the fall. At present the store has a loan of $1,000 from the association. The council proposed to lend an additional $500, and asked that this be approved. A motion to that effect was carried.

Kneeland, '20, was nominated to succeed himself as manager of Musical Clubs and a motion that the secretary be instructed to cast a unanimous ballot was carried. Barron, '21. was elected assistant manager.

Richard Kaiser was re-elected manager of Charlatans by a unanimous ballot. Seaver and Davidson, '21, were nominated for assistant manager and Seaver won the election.

Dr. Wood spoke of the excellent work done by Coach Prettyman in organizing and supervising the co-operative store. He then called on Mr. Prettyman, who told of the condition and activities of the store, and outlined the work along athletic lines which its success will make possible. He reported that in April, the stock inventoried at $1052, and the business amounted to $985, a gain of $189. That means that nearly the entire stock is being turned over each month. The wages for clerks has been about $96.

Mr. Prettyman asked that all cooperate in making the enterprise a success. The store is doing a cash business, but there are still many unpaid laundry bills. These debts should be paid immediately, as they mean just so much money that can not be used in restocking.

At the beginning, some difficulty was experienced in securing credit with publishers of text-books. This has been overcome, although for a time orders had to be accompanied by cash.

The increased athletics require more money and the store is a means of meeting this deficit. The association makes no money from the gate receipts, and thus the money must come from somewhere else. Equipment for the various sports is more expensive than formerly, and added to the loss in other years by the failure of some men to turn in their equipment at the end of the season, economy is of primary importance. By returning uniforms and other articles when they are due, men are helping in a measurable manner to keep up our system of athletics.

Mr. Prettyman thanked the men for the spirit with which they have entered into the new compulsory athletics. He said that he wanted to see a squad of about one hundred men out for football next fall. There are now about seventy-five men in college who have signified their intention to try out for football, and the incoming class should furnish probably thirty more. He then outlined the plans of his department for next year. He hoped that football may be supplemented by cross-country and soccer teams.

Peck and Maier, '21, were unanimously elected managers of basketball and hockey, respectively.

Brandt, '20, for the executive council, nominated Throop and Wynkoop on an equal basis for manager or intramural sports. Wynkoop was elected.

Next year's cheer leaders, to take the place of Fursman and Valentine, '19, will be Martin and Barnett, '20. The new men gave an exhibition of their talent by leading two short yells for each other.

Afte a short discussion, the amendment to the constitution of the Honor Court, extending the court's jurisdiction to the Writing English courses, was passed.

The last business to be transacted was the selection of the undergraduate members of the Honor Court for next year. They will be Johnson and Couper, '20, Kaiser and Parker, '21, and Getman, '22.

The meeting concluded with the singing of "Carissima".

—John L. Strickland, '04, was on the Hill for the week-end of house-parties.

—L. Heyl Nichols, '16, is employed with the Lewis Manufacturnig Company of Walpole, Mass., makers of hospital supplies.

—Walter D. Bull, '18, who was on the Hill for house party, is employed under the Civil Service at the Edgewood Arsenal, Edgewood, Maryland. He is doing the same work that he did while in the army.

CHARLATANS ACT IN STONE CHURCH

Under Auspices of Christian Endeavor Society—Performance Very Successful.

GIVE FOUR PLAYS

Last evening the Charlatans gave a performance in the chapel of the Stone Church of Clinton, under the auspices of the Christian Endeavor Society of the Presbyterian Church. The plays given were the same as those presented in Rome and in Utica and the casts for the four plays were identical with the ones in the Rome performance.

All the plays were given in an exceptionally fine manner and much praise is due to Professor Fancher for the hard work and time he has given to the organization this year. "The Ghost of Jerry Bundler" was done better than ever before and made a decided hit with the audience. "Two Crooks and a Lady" ran a close second to the first play in the estimation of those present. Martin, '20, who took the part of Miller, the Hawk, acted very well as did also Pritchett, '21, as Miss Jones. The second play of the evening, "Night," was an allegory and required very fine acting. Needless to say the cast played it almost perfectly. In this play Thorp, '20, in the part of the Woman, did some of the best acting of the whole performance. The last play, "Between the Soup and the Savory," was a comedy of very high standard. The casts of the plays follow:

"The Ghost of Jerry Bundler"—Hirst, Walter R. Barry; Malcom, John T. Martin; Somers, William L. Pritchett; Penfold, Wendell D. George; Beldon, William H. Spice; Dr. Leek, Damon L. Getman; George, a waiter, G. Elliott May.

"Night"—The Scientist, Harold Hartness; The Poet, Charles Wright; The Priest, Damon L. Getman; The Man, Lawrence B. Hogue; The Woman, William W. Thorp.

"Two Crooks and a Lady"—Miller, the Hawk, John T. Martin; Lucille, William M. Griffith; Mrs. Sims Vane, William W. Thorpe; Miss Jones, William L. Pritchett; Police Inspector, William H. Spice; Garrity, Lawrence B. Hogue.

"Between the Soup and the Savory"—The Cook, William M. Griffith; The Parlor Maid, Arthur J. Doyle; The Kitchen Maid, William W. Thorpe.

CLARK PRIZE FOUNDED BY AARON CLARK IN 1885

As Recognition of Member of Senior Class Who Best Excelled in Oratory.

GREATEST COLLEGE HONOR

Sixty-four years ago tomorrow there was founded here at Hamilton College what is known as Clark Prize. It was in 1855 that Hon. Aaron Clark saw fit to establish some means of recognition for that student of the Senior Class who should excell in oratory. Accordingly, Mr. Clark made his first donation toward this end with provision that it should be permanently invested and the income appropriated to be be used as the prize. The Trustees of the College accepted the gift, which amounted to five hundred dollars, and pledged themselves to fulfill the conditions. It was formally decided that there should be only one prize and this to be awarded to that Senior who offered the best oration in thought, composition, style ad delivery. The subjects of the orations were to be selected and the six successful competitors appointed and the prizes awarded by the faculty.

Greatest College Honor

For sixty-three years Clark Prize has flourished and has been looked upon as the greatest college honor to be gained. As Hamilton is noted for its speakers, it is only natural that one should look upon such a contest as one of the greatest events of the college year. Clark Prize orations are written and delivered only by those Seniors who have shown marked ability on the speaking platform, thus a K. P. program is always eagerly looked forward to.

RHODES SCHOLAR GOES TO OXFORD

Ernest S. Griffith, '17, Will Study Abroad for a Doctor's Degree in Political Science.

Ernest S. Griffith, '17, who was on the Hill last Sub-Freshman Day with a delegation of forty-four sub-freshmen which he brought up from Utica, is preparing to go abroad next August to attend Oxford University. Mr. Griffith is the holder of a Rhodes Scholarship, being the second Hamilton man to have won this honor, the first Hamilton man being Robert S. Coon, '07.

Mr. Griffith intends to obtain a doctor's degree in political science or philosophy and then return to this country and if possible obtain a position on the faculty of some college teaching political science or sociology. This is the first year Oxford has ever offered a Ph.D. degree, but now this degree is being offered in hopes that the men who formerly went to Germany for their post graduate work will come to Oxford.

The Rhodes Scholarship pays Mr. Griffith's tuition and all expenses, including transportation to and from this country and England. As the Oxford term is only 26 weeks duration he intends to spend the rest of the time in travel.

The Rhodes Scholarship Committee picks one man from each state for two successive years and then skips a year. The holder of this honor must be a man of marked ability. While in college Mr. Griffith won nine prizes and was a high honor man. He also was a member of Phi Beta Kappa and during his college course organized the Boy Pioneers.

At present besides being a member of the faculty of the Utica Free Academy he is coach of base ball, secretary of the athletic association and faculty representative on the student governing council.

NEW INTERCOLLEGIATE SPORT

The first of a series of intercollegiate seaplane races was held at Atlantic City the first part of this month, over a three-mile circular course, for a total distance of thirty miles. The race was won by S. Raymond Beckwith, representing the University of Pennsylvania, in a new Curtis machine. He covered the distance in 23 minutes and 26 seconds. By winning this race he wins the first prize of $250 and also becomes the first holder of the annual intercollegiate trophy. The second prize of $150 was won by Ensign M. S. Martin, with Lieut. R. M. Cragmile as passenger, representing Columbia University. His time was 25 minutes and 13 seconds. The third prize of $100 was won by Ensign A. A. Beckwith, representing Yale, whose time was 26 minutes and 51 seconds. The fourth prize of $50 was won by Augustus Post, representing Amherst, who finished in 29 minutes and 3 seconds.

On the flying field, Lieut. A. A. Smith of Columbia in a land plane, won the first prize of $250 in 10 minutes 3 seconds. This gives him a leg on the $2000 prize in the intercollegiate events. Alfred Beckwith of Yale was second and Leon Stein of Columbia, third. The races were held in connection with the Pan-American Aeronautical Congress in session at Atlantic City.

College Men "Make Good"

When an emergency arises in business, political or military crises, a call goes out for "college men." They are expected to "make good." And they do. The reason for their success is their abiltiy to bring their special training to bear on the problem at hand.

In financial matters this trust company is prepared to meet the constantly changing conditions due to the special training and long experience of its officers and staff.

Our several departments offer the following services:

(1) Checking accounts—large or small.
(2) Large or small interest accounts on which we pay 3½ per cent.
(3) Loans on promisory notes, on collateral security, and on real estate mortgages.
(4) 3½ per cent. interest bearing Certificate of Deposit.
(5) Acts as executor, administrator or trustee for decedent estates.
(6) Agent or trustee for estates of living persons.
(7) Safe Deposit Boxes to rent for $3.00 per year and up.

We especially welcome the opportunity of serving men "on the Hill."

SYRACUSE WINS EXCITING GAME

Breaks of Game Favorable for the Orange Ball Tossers and Syracuse Wins 1 to 0.

GAME, A PITCHERS' BATTLE

The Varsity met its first set back of the season Friday afternoon at the hands of the heavy hitting Orange aggregation in the Syracuse Stadium by a 1-0 score. A heavy downpour of rain stopped the contest at the close of the first half of the seventh, just when Hamilton was beginning to find Benson, the Syracuse twirler.

Both teams played fast, aggressive ball and put upthe best game seen at Syracuse this year. The close score shows that each team was on its toes every minute, and Coach Ziel's strong combination showed up in every respect as well as Coach Carr's ball tossers, who have met and defeated some of the best college nines this season by large scores.

Syracuse scored her lone tally in the fourth inning. In this stanza Brown, their heavy hitting center fielder, beat out an infield hit, stole second, and negotiated third when Gorman dropped the ball on a third strike. He came across on a long sacrifice fly to Pritchard in center field. With the exception of this inning Baumler held the opposing batsmen well in hand. In the seven innings he allowed only four hits and kept them well scattered.

Hamilton secured two safe bingles, Captain Fursman and Pritchard coming through with hits. Pritchard put up a good game in the center garden where he cavorted about in big league style and smothered five flies without a slip. Two of his catches were made only after long runs.

In the pitching duel between Benson and Baumler, the former struck out eight men and the latter four. Ackley, the Orange shortstop, showed up well with the willow, making two of Syracuse's four bingles.

The score:

HAMILTON	AB	R	H	PO	A	E
Fursman, Capt., 2b,	3	0	1	1	0	1
Campbell, ss,	3	0	0	0	1	0

PRES. OF Y. M. CALLS FOR NORTHFIELD DELEGATION

Anxious to Have Large Number of Hamilton Men Represent College at Annual Convention.

THIRTY-THIRD ASSEMBLY

The Northfield Student Conference will be held this year from June 20 to June 30. President Johnson of the College Y. M. C. A. is especially anxious that there shall be a large delegation from Hamilton that will be able to attend this conference and represent the College there. In former years there has always been a number of Hamilton men who were in attendance at Northfield and it is hoped that this year will be no exception.

It is to be an intercollegiate conference to give earnest and honest consideration to the tasks and obligations of American students. The program will aim to bring the most vivid, direct, and compelling messages from those who by first-hand experience of life are qualified to speak to the students. There will be full opportunity for discussion in order that the men may come to independent and fearless conviction. It is expected that such frank facing of world obligations will result in immediate scrutiny of the social standards existing on the College Campus.

These conferences have been held for thirty-three years and have had a permanent value in the life of the nation. The charges are very small for attending the conference and merely cover the cost of board.

There will be delegations present from all corners of the earth. There will be special conferences for theological students and for faculty men who may be present.

—Word has been recently received of the death of Alvin Z. Pierce, '82, who died at Woodhull, N. Y., on February 11, 1918.

—Ralph B. Colson, '11, after finishing a course at Union College, Peking, China, has taken up Y. M. C. A. work in Wuchang, Hupeh, China.

—Hon. Charles Edmund Rice, '67, eminent lawyer and jurist, died at his home in Wilkes Barre, Pa., on May 16, 1919. After graduating from Hamilton Judge Rice entered the Albany Law School and graduated in 1869. He was judge of the Superior Court of Pennsylvania for many years and very highly thought of by the bar. Lafayette College and the University of Pennsylvania conferred the degree of LL.D. upon him.

DECIDE SUBJECT OF PRIZE DEBATE

Drago Doctrine to be Discussed by Six Prize Debaters at Commencement.

SUBJECT TIMELY

The McKinney Prize Debaters have been chosen by the faculty as follows: Stratton, Reed, Hutchinson, Ferguson, Skinner, and Jessup. They have not yet been paired off.

The proposition which has been approved is: "Resolved, that the Drago Doctrine be incorporated in international law." The Drago Doctrine is the tenet of those who are opposed to "dollar diplomacy" and who believe that nations should make war only when their honor or solemn promises are affected, and not solely for the interests of trade growth.

This subject is one of timely interest, for there are many upholders of the Drago Doctrine among leading statesmen, and a strong movement is felt at the peace conference, urging that this doctrine become a recognized portion of future international law.

The McKinney Prize Debate furnishes two prizes of $50 and $25 for the two Seniors excelling in extemporaneous debate, the foundation being by the late Charles McKinney of Binghamton.

The prize debaters are the six Seniors whose average standing in argumentation and debate is highest for the entire course. The grades to be considered in choosing these contestants are reported to the Registrar at the end of the eighth week of second term. Within a week thereafter the Registrar presents to the Faculty the names of the six men eligible for appointment, and the announcement of their appointment is made at the next morning chapel after their approval by the Faculty. Within a week from this announcement the debaters meet the Professor of Rhetoric and Oratory and determine sides and order of speaking for the debate.

The Prize Debate is held on Friday evening of Commencement Week, this year, June 13. Each debater on the first appearance may speak nine minutes; and on his second, six. Notes may not be used in the debate. The award is made by a committee of five, not members of the faculty, and is announced at the close of the debate. In making the decision, the judges determine (1) the stronger side of the argument as presented, and (2) the best and second best debaters. These receive the prizes of $50 and $25 respectively.

—Francis F. Baker, '00, died very suddenly at his home in Buffalo, N. Y., on April 21, 1919. Mr. Baker at the time of his death was engaged in practicing law.

—Charles J. Mangan, '12, who for the past year has been a member of the Intelligence Bureau overseas, has returned to this country and is now practicing law at his home in Binghamton with offices in the Phelps Building.

1919 FOOTBALL SCHEDULE HAS BEEN COMPLETED

Work Finished Under Direction of Assistant Manager Keehn After Mengerink's Accident.

UNION GAME, NOVEMBER 15

In spite of the injury of Manager Mengerink during the Easter trip of the Musical Clubs, the football schedule for next year has been completed by Assistant Manager Keehn. Manager Mengerink had obtained most of the games before he was hurt, but the work of making the final arrangements has just been finished.

Hamilton looks forward to a most successful season next year, as all of this year's Varsity, and a number of former stars will be in college next fall to turn out a winning team. The schedule is for eight games instead of the usual seven, on account of a post-season game with Rochester.

The schedule:

Oct. 4, St. Lawrence at Clinton.
Oct. 11, New York University at Clinton.
Oct. 18, R. P. I. at Troy.
Oct. 25, Williams at Williamstown, Mass.
Nov. 1, Vermont at Clinton.
Nov. 8, Springfield Y. M. C. A. College at Springfield, Mass.
Nov. 15, Union at Clinton.
Nov. 22, Rochester at Rochester.

—Frederick P. Pierce, '87, has just recently moved from New York City to Binghamton, N. Y.

—R. W. Stewart, ex-'12, is in the office of the Secretary of State of the State of New York, with offices at 700 Main street, Buffalo, N. Y.

—Maurice L .Jenks, '82, has changed his business address from Chicago to 100 Broadway, New York City. Mr. Jenks was formerly with the American Surety Company of Chicago.

—Willard B. Marsh, '12, has accepted a position as instructor of English and public speaking at Carroll College, Waukesha, Wis. Since his recent discharge from the army Mr. Marsh has been at Princeton Unievristy working for a doctor's degree.
